651052 – CIRCUIT CARD ASSEMBLY

✓ Government record, cited

Equip · CABLE ASSEMBLY

PRODUCT OVERVIEW

651052: CIRCUIT CARD ASSEMBLY.

The Ergonomic Premium office chair with headrest and armrest is designed for superior comfort and support, ideal for those who spend long hours working at a desk. Its 4D headrest is adjustable in multiple directions, allowing users to customize their neck support for optimal posture. The chair features a nylon mesh upholstery that promotes breathability, keeping the user cool and comfortable throughout the day.

The backrest is constructed from a durable aluminum and plastic frame, equipped with a synchronous adjustment mechanism that offers four locking positions. This allows for smooth reclining and lockable support at various angles. The seat height can be easily adjusted using a TUV Class 4 gas lift, providing a range of 100mm.

Multi-adjustable lumbar support ensures that the lower back is well-supported, reducing the risk of discomfort. Additionally, the chair rolls smoothly on 60mm PU wheels with pressure lock, complemented by five extra rubberized wheels for added s This part is cataloged in the U.S. Government catalog under NSN 5998-00-001-2364, indicating validated use in U.S.

government and defense logistics supply chains.
