67Y0185 – Lenovo 67Y0185 interface cards/adapter

Lenovo · COMPONENT

PRODUCT OVERVIEW

67Y0185 is Lenovo 67Y0185 interface cards/adapter.

The ThinkServer IBM ServeRAID M5014 SAS/SATA Controller can provide the performance required for extensive computations and the flexibility to use both SAS and SATA hard drives. Features: - Low profile, half-length form factor that is ideal for space-limited server environments - High-performance internal storage with connectivity to SAS/SATA drives - Battery backup support: Intelligent BBU for more data protection; optional battery backup on the M5014 controller - An Advanced RAID Management Suite that allows administrators to efficiently configure, monitor, and manage RAID volumes locally or over the network.
